### **District League - Umpire Practice Match Bookings**

All Clubs seeking umpire appointments for the 2020 preseason period are required to abide by the following process.

1. Complete the 'Practice Match Umpire Request Form' with all details to be completed on the form. Please ensure club contact details, umpire requirements, times and venues are accurate. Failure to do so may result in no umpires being appointed.
2. Email the completed form to [Michael.bocquet@afl.com.au](mailto:Michael.bocquet@afl.com.au) **at least ten (10) days before the game is to be played.**
3. Familiarise your club with the pay rates that are applicable to your League and Club.

Following the match, AFLNEB will invoice the club for the costs involved and would appreciate payment being made within 7 days. This is to be strictly adhered to or clubs will not receive umpires for matches in the following weeks if it is not followed.

Umpire Fees to be charged on appointing a team of umpires (eg 2 or 3 field umpires may be appointed to a match with the fee charged to be only \$180.00). If only one umpire is appointed the charge will be half of the stated amount.

**Umpire Charges are for 4 Quarter Matches (4 x 20 or 4 x 25), pro rata increases for extra quarters requested where playing time will exceed 100 minutes.**
