

Community Football Rule Recommendations - 2021

Summary

These rule changes are designed to reduce the defensive capability of teams and open up the game for teams to be more aggressive in their ball movement, as well as providing an opportunity for players to have more freedom to play on.

Club Support

Educational Video

- The YouTube video that was distributed across the leagues last week, has been developed to educate Coaches, Players & Umpires.

Educational Video Link

- <https://youtu.be/bduAeh4Stk4>

Practice Matches

- With practice matches happening this weekend, umpires can provide opportunities for coaches & players to ask questions during the game.

Club Umpires

- Opportunities will be available for Club umpires to be engaged with our online theory sessions. *Registration link can be distributed post meeting.*
